

Rentrer en Soi, The Flow Of Time -in A Cradle-

The unlimited brilliance... the sun rise.
The conceived heart... in the sea reflection.
An engagement... the flow of time.
An everlasting truth... the flow of time.
The sun set... overlap glisten and dark.
An engagement... the flow of time.
An everlasting truth... the flow of time.
The limpid breeze never cease... carry sleep unawares.
The dividing line of reality and daydream... will be vague.
Under the moon... many visions bloom all over.
The pale landscape turns into...
An engagement... the flow of time.
An everlasting truth... the flow of time.
