

Reptilian, Bullet Speed

Flying like a missile I am fire in the sky
A supersonic vengeance, a machine that's flying high

Tales of fury hate desire
Writings on your soul in fire
Seeking the revenge
Flying faster than the speed of bullets

Faster than the bullets

Aiming at your broken hope, a painful destiny
I'm watching as you bite the dust with eyes of melting steel

Tales of fury hate desire
Writings on your soul in fire
Seeking the revenge
Flying faster than the speed of bullets

Faster than the bullets

Tales of fury hate desire
Writings on your soul in fire
Seeking the revenge
Flying faster than the speed of bullets

Flying faster like bullets
