

Reset, My Dream And I

With Everyday that goes by
It sure gets lonely in this... this world of mine
This state of nothingness keeps on eating me
Will I succeed?
I can't help but wonder
What chapter is the next
I think I can't stop thinking
My mind just needs a rest
Has everyone around me has lost their mind?
Need to think I'm crazy cause I'm real
I Don't have to think
It's under my skin
No one can stop my dream and I
I can't sleep
I'm in too deep
These odds are scaring me away
If you don't understand
Seems like no one can
Am I insane
Am I to blame
It seems everyday I lose more inspiration
I'm out of motivation
My life is going nowhere
With everyday that goes by
It sure gets lonely in this... this world of mine
I WILL SUCCEED!!
I WILL SUCCEED!!
I Don't have to think
it's under my skin
No one can stop my dream and IIIIIII
I Don't have to think
it's under my skin
No one can stop my dream and IIIIIII
