

# Resurrection, War Machine

(Originally performed by Kiss)

Wanna bite the hand that feeds me, wanna turn the tides  
Set the demons free and watch 'em fly  
Strike down the one who leads me, I'm gonna take his place  
Gonna vindicate the human race

Better watch out 'cause I'm a war machine  
Better watch out 'cause I'm a war machine

Take the reins of power and seize them, draw the battle lines  
Armageddon's just a matter of time  
Tear down the voice of reason, let the arrows fly  
Your freedom's just a state of mind, yeah

Better watch out 'cause I'm a war machine  
You better watch out 'cause I'm a war machine
