

Retard-O-Bot, Facade

Put up your wall, mother fucker
Maybe I won't see through it
Or maybe I will, Who knows
Put on your act, bitch
Maybe I won't see through that shit
Put up your wall, mother fucker
Maybe I won't see through it
or maybe I will, who knows
Put on your act bitch
Bitch, bitch, bitch
You had me goin'
But not for long
You're so special
Here's your song
Put up your wall, mother fucker
maybe I wont see through it
or maybe I will, who knows
Put on your act, bitch
maybe I wont see through that shit
Tricked me once shame on you
Tricked me twice, shame on me
Took advantage of my simple mind
Fuck you bitch, no, fuck me
Uh Huh, la la la, kick it
Ooh baby, ohh baby, Oooh ohh
Eww baby, baby, baby, baby
Put up your wall, mother fucker
Maybe I won't see through it
Or maybe I will, who knows
Put on your act bitch
Maybe I won't see through that shit
Put up your wall mother fucker
maybe I wont see through it
or maybe I will, Who knows
Put on your act bitch
Bitch, bitch, bitch
Put up your wall mother fucker
Put up your wall mother fucker
Put up your wall mother fucker
Put on you act bitch, bitch, bitch, bitch
Put up your wall mother fucker
Put up your wall mother fucker
Put up your wall mother fucker
Put on you act bitch, bitch, bitch, bitch
