

# Retard-O-Bot, I Don't Think You Really Mean It

I don't think you really mean it  
It's the things you say  
It's the things you do  
It's the things you promise  
That never seem to come true  
I don't think you really mean it  
I don't think you really mean it  
It's the things you say  
It's the things you do  
It's the things you say  
It's the things you do  
It's the things you promise  
That never seem to come true  
I don't think you really mean it  
I don't think you really mean it  
Quit your lies  
Stop pretending you're chasing your tail  
Your feet have been nailed to the floor  
The wool's been in your eyes for so long now  
I don't think you really mean it  
It's the things you say  
It's the things you do  
Don't expect a helping hand  
I've turned my head  
I've brushed you off  
Friends only as good as what they do  
Get me out of here  
Interference is what I need  
It all comes back to you  
It all comes back to you  
You (x8)  
Get me out of here  
Get me out of here  
Stop lying  
Quit pretending you're chasing your tail  
Your feet have been nailed to the floor  
Wool's been in your eyes for so long, man  
I don't think you really mean it  
It's the things you say  
It's the things you do  
It's the things you promise  
That never seem to come true  
I don't think you really mean it  
I don't think you really mean it  
It's the things you say  
It's the things you do  
It's the things you promise  
That never seem to come true  
I don't think you really mean it  
I don't think you really mean it
