

# Rev Theory, Ten Years

Ten years from now  
When I turn around  
Will I be satisfied  
When I look back on life  
Don't tell me it's too late  
Don't tell me that I threw it all away  
Don't tell me that I did this all in vain  
I have my reasons  
Why I walk this lonely road  
And I never return  
Was it worth the life of sacrifice  
Ten years from now  
When she looks at me (She sees right through me now)  
All that emptiness in her eyes  
So damn hard to speak (Can't say a word out loud)  
There's no words to make this right  
She tells me that I'm lost  
I know that she will never understand  
I know that I will do it all again  
I have my reasons  
Why I walk this lonely road  
If I never return  
Was it worth the life of sacrifice  
Ten years from now  
Years from now...  
I have my reasons  
Why I walk this lonely road  
If I never return  
Was it worth the life of sacrifice  
Ten years from now  
I have my reasons  
Why I walk this lonely road (Ten years from now)  
And I never return  
Was it worth the life of sacrifice  
Ten years from now
