

# Revelation Theory, Leaving It Up To You

I don't know why I'm so caught up in covering up the past.  
After all this time I, I thought I would be over you at last.  
But it kills me at night, I was hoping you'd give me a second chance.  
But I'm leaving it up to you, leaving it up to you.  
And there's nothing that I can do.  
Cause I walked away when I said I'd stay, with you.  
No excuses so, I thought I'd make it better as I go.  
If I could go back in time I, I wouldn't leave you waiting all alone.  
I lay awake late at night.  
I wish I had the courage to say no.  
But I'm leaving it up to you, leaving it up to you.  
And there's nothing that I can do.  
Cause I walked away when I said I'd stay.  
Leaving it up to you, (I wanna come back home and...)  
I'm leaving it up to you. (I wanna come back home.)  
And there's nothing that I can do.  
Cause I walked away when I said I'd stay, with you.  
...with you.  
...with you.  
After all this time I try to understand this pain.  
No excuses so I find a reason to run away.  
...to run away.  
But I'm leaving it up to you, leaving it up to you.  
And there's nothing that I can do.  
Cause I walked away when I said I'd stay.  
Leaving it up to you, (I wanna come back home and...)  
I'm leaving it up to you. (I wanna come back home.)  
And there's nothing that I can do.  
Cause I walked away when I said I'd stay, with you.  
with you.  
with you.
