

Revelation Theory, Take Away

Is this what you wanted?

You got what you needed; all that's mine.

Take it or leave it. (Take it or leave it.)

Everything's even but what's left of my life.

Everything's wrong I know, I can see it in your eyes again.

Taking control of my soul and my life.

Cause you take away.

You take away.

What more can you take?

It feels like I've been here before.

All that you do seems to abuse, you won't cut me anymore.

I'm bruised and I'm bleeding. (I'm bruised and I'm bleeding.)

It's kept me from seeing all your lies.

You kill all that you touch. (You kill all that you touch.)

But this time it's too much, it all comes around.

Everything's wrong I know, I can see it in your eyes again.

Taking control of my soul and my life.

Cause you take away.

You take away.

What more can you take?

It feels like I've been here before.

All that you do seems to abuse, you won't cut me anymore.

(Take away) You want it, (all from me) you wanted it all.

Cause you take away.

You take away.

What more can you take?

It feels like I've been here before.

All that you do seems to abuse, you won't cut me anymore.

Cause you take away. (You take away.)

You take away. (You take away.)

It feels like I've been here before.

All that you do seems to abuse, you won't cut me anymore.

(Take away) You want it, (all from me) you wanted it all.
