

# Reverend Horton Heat, If It Ain't Got Rhythm

If it ain't got rhythm  
Hon, it ain't got soul  
If it ain't got rhythm  
Hon, it ain't got soul  
If it ain't got blues, it just ain't rock n roll  
I ain't got me no whiskey  
I ain't got no beer  
I don't need me no whiskey  
I don't need no beer  
thats why I'm sayin' honey let get out of hear  
CHORUS:  
DJ DJ lets get out of hear  
DJ lets get out of hear  
I know a place with a little better atmosphere  
If you ain't got a women  
Hon, you ain't got soul  
If you ain't got a women  
Hon, you ain't got soul  
If your women just left, you don't know where to go  
CHORUS

If you ain't got a women  
Hon, you ain't got soul  
If you ain't got a women  
Hon, you ain't got soul  
If your women just left, you dont know where to go  
CHORUS
