

Reverend Horton Heat, If It Ain't Got Rhythm

If it ain't got rhythm
Hon, it ain't got soul
If it ain't got rhythm
Hon, it ain't got soul
If it ain't got blues, it just ain't rock n roll
I ain't got me no whiskey
I ain't got no beer
I don't need me no whiskey
I don't need no beer
thats why I'm sayin' honey let get out of hear
CHORUS:
DJ DJ lets get out of hear
DJ lets get out of hear
I know a place with a little better atmosphere
If you ain't got a women
Hon, you ain't got soul
If you ain't got a women
Hon, you ain't got soul
If your women just left, you don't know where to go
CHORUS
Go! Go! Go!
If you ain't got a women
Hon, you ain't got soul
If you ain't got a women
Hon, you ain't got soul
If your women just left, you dont know where to go
CHORUS
Lets Go!
If it ain't got rhythm
Hon, it ain't got soul
If it ain't got rhythm
Hon, it ain't got soul
If it ain't got blues, it just ain't rock n roll
