

# Reverend Horton Heat, Now, Right Now

Yeah you, tried to give it to me then,  
But that, was a long time way back when,  
And you, tried to give it to me again again again,  
But I didn't want it,  
I want it now right now right now right now right now right now.  
I want it now right now right now right now right now right now.

Yeah we, could have the sweetest thing,  
Yes we, could live what others only sing,  
But you, got so very very stuck up all of a sudden,  
It just doesn't make sense.  
I want it now right now right now right now right now right now.  
I want it now right now right now right now right now right now.

Yeah I, was really stupid to believe,  
That you, would always be there wanting me,  
Now I, beg you please to forgive me forgive me forgive me forgive,  
But you ain't about to do it,  
I want it now right now right now right now right now right now.  
Right now right now right now right now right now right now.

Aint talkin' about tomorrow,  
And I didn't want it the day before,  
So guess when I want it,  
I want it now!... Right now!... Right now!  
Might never know,  
And I didn't want it to hurt you.

I want it now! Yeah!
