

Revis, Seven

It's all over
It's all over now
The seal is broken
Creatures spoken now
I hope you come up to heaven right now
It's all over
It's all over now
Can I be changed?
Or am I the same
It's all over
It's all over now
No room for hiding
We're children fighting now
And hope you come up to heaven right now
It's all over
It's all over now
Can I be the same?
The rain is falling
The rain is falling now
Today we're leaving
Our souls are calling now
The stars on his right holding seven right now
The rain is falling
The rain is falling now
Can I be changed?
Or am I the same
It's all over
It's all over now
No room for hiding
We're children fighting now
And hope you come up to heaven right now
It's all over
It's all over now
