

Rez Band, Amazing

You put me up when life put me down,
You took me in when sin shut me out,
You called my name when I felt forgotten.

It's amazing, (amazing)
It's amazing, (amazing)
It's amazing, (amazing)
Your love, it's amazing, (amazing)
It's amazing, (amazing)
It's amazing, (amazing)
Your love.

In silence, I sat without and within,
It's easy to lie about your hidden sin,
It's hard to d-d-d-die when that's the shape you're in,
Outside your love, what was I think of ?
What was I think of ?

It's amazing, (amazing)
It's amazing, (amazing)
It's amazing, (amazing)
Your love, it's amazing, (amazing)
It's amazing, (amazing)
It's amazing, (amazing)
Your love.

Now I've got you and you got me,
I read your word and I believe,
Here in the night, Lord, you shine like the day.

It's amazing, (amazing)
It's amazing, (amazing)
It's amazing, (amazing)
Your love, it's amazing, (amazing)
