

Rez Band, Mommy Don't Love Daddy Anymore

Mommy says she don't love daddy anymore,
Daddy says mommy walking out the door,
Sister says she's getting married to escape,
Brother says enlisting sounds just great.

Me, I don't know who to believe,
Me, I don't know how to maintain the world that used to be.

'Cause everyone is leaving me,
Everyone is leaving me,
Everyone is leaving me,
Everyone.

When you're eight and your family's dying,
When you're hurt, but too scared to cry,
What on earth can you do to find release?
God, what is...what is happening to me?

'Cause, me, I don't know...I don't know who to believe,
Me, I don't know how to maintain the world that used to be.

'Cause everyone is leaving me,
Everyone is leaving me,
Everyone is leaving me,
Everyone, everyone.

Daddy shrugs and slowly turns away,
Mommy says, "God, why did it end this way?"
Can our family really die so fast?
Is love a thing...a thing that just won't last?

Me, I don't know who to believe,
Me, I don't know how to receive the love that used to be.

'Cause everyone is leaving me,
Everyone is leaving me,
Everyone is leaving me,
Everyone.

God, please don't leave me.
