

# Rhapsody, Autumn Twilight

Season after season sweet old memories bring me pain  
my broken cries out a storm inside my brain  
Why have you flown away to far horizons  
my little bird

Tears of pain fall from my eyes into a sea of rage  
our love is neverending it will live again  
Why have you flown away to far horizons  
my little bird

MY AUTUMN TWILIGHT  
SHOW ME HER VISION  
BEFORE THE SUNLIGHT  
TAKES HER AWAY

Memories are burning in my nightmares without end  
falling shadows bring a vision of empty life  
Why have you flown away to far horizons  
my little bird

MY AUTUMN TWILIGHT  
PLEASE SHOW ME THE WAY  
TO BUILD A NEW LIFE  
ON MY SAD PAST
