

Rhapsody, Autumn Twilight

Season after season sweet old memories bring me pain
my broken cries out a storm inside my brain
Why have you flown away to far horizons
my little bird

Tears of pain fall from my eyes into a sea of rage
our love is neverending it will live again
Why have you flown away to far horizons
my little bird

MY AUTUMN TWILIGHT
SHOW ME HER VISION
BEFORE THE SUNLIGHT
TAKES HER AWAY

Memories are burning in my nightmares without end
falling shadows bring a vision of empty life
Why have you flown away to far horizons
my little bird

MY AUTUMN TWILIGHT
PLEASE SHOW ME THE WAY
TO BUILD A NEW LIFE
ON MY SAD PAST
