

Rhapsody, Unholy Warcry (Short Version)

(featuring Christopher Lee)

"It was a good time for
all creatures of the earth,
but fate decreed that the dark
prophecy of a demonknight
could bring a tragic end to this peace
scarring their lives forever!
Only one person could cross the
Darklands surrounding Hargor
and venture forth deep into
the caves of Dark-Kunor.
His is a name the world will never forget,
he is Dargor."

The dark lies a secret he is sworn to return to avenge the lost divine wars.

Algalord arise greater than before
Time of peace not of war
shouts of freedom from the castle walls
freedom in the land and hope for all
hope for all

INTO THE SILENT DARK FORGOTTEN
CAVES OF DARK-KUNOR
DEEP IN THE SECRET BOOK IS AWAITING
UNHOLY WARCRY
NEKRON PROMISED BLOODY TERROR
BRINGING DEATH AND PAIN
TO THE NEW WORLD

From the rocky mountains
To the golden sea
To the Barbarians' sacred hills
From the icy north and misty lakes
To the walls of Seth and Elvish plains
All beware!

INTO THE SILENT DARK FORGOTTEN
CAVES OF DARK-KUNOR
DEEP IN THE SECRET BOOK IS AWAITING
UNHOLY WARCRY
NEKRON PROMISED BLOODY TERROR
BRINGING DEATH AND PAIN
TO THE NEW WORLD

Torment pain and bloody rain
Nekron's resurrection
They must kill the demon king
Or fight another war

"Nekron would rule
in the unholy name of cosmic chaos
and this time he would reign supreme"

He is Kron Kron's disciple
He is sworn to return
to avenge the lost divine wars

There was only one who knew the way
he lived in the dark lonely caves
the demon of the night
could save the day

Should they take a chance or run away
Dargor was his name!

INTO THE SILENT DARK FORGOTTEN
CAVES OF DARK-KUNOR
DEEP IN THE SECRET BOOK IS AWAITING
UNHOLY WARCRY
NOW THEY SWORE TO BAND TOGETHER
ON A SACRED JOURNEY
CALLED BY FATE TIME TO BE GREAT
UNHOLY WARCRY
NEKRON PROMISED BLOODY TERROR
BRINGING DEATH AND PAIN
TO THE NEW WORLD
