

Rheostatics, Torque, Torque!

Tim Vesely and Paul Quarrington

Torque, torque. The beast needs more torque.
Torque, torque. The beast needs more torque.
Turn it up. Gotta uncork the cork,
The beast needs more torque now.

Torque, torque. The beast has to run.
Gotta let her out for some fun.
Turn it up. Gotta uncork the cork.
Let her be someone now
Underneath the sun now.
Torque, torque.

Give her more torque now...
More torque now...
