

Rhett Akins, In Your Love

In Your Love

All of my life I thought I knew the answers,
until you came along I never questioned why,
you showed me what it means to love someone forever,
You're the dream in my heart that's always been there,
your the window to my soul.

~ CHORUS ~

I live,
I die,
I'm born I'm sanctified,
in your love,
your love,
I'm home,
I'm free,
I found everything I need in your love,
your love.

Don't know just how or where I'd be without you,
now that you've become a part of who I am,
I can feel your touch in everything that I do,
You're the smile when I cry,
You're the road when I'm lost,
You're the breath that gives me life,

~ REPEAT CHORUS ~

~ BRIDGE ~

I'd do anything for you,
just to prove my faith,
In your love.

~ REPEAT CHORUS 2 X ~
