

Rhoda Morgan, He Say She Say

Hook:

I don't wanna hear no more he say she say

I'm sick and tired of the games that we play

It seems like something's always getting in your way...when you going to be a man?

Verse:

Didn't see you last night, said your car wouldn't start. You didn't come home last night (felt like a bu

Say you'll pick me up at nine, you have me ready waiting by the door. It's gone twelve you didn't ca

Bridge:

If I hurt you it's coz you hurt me.

If I play you it's coz you play me

x2

HOOK

Verse:

Baby loving you hurts, will me and you ever work? So much better I deserve (like a bullet through m

The lies, the games and the fights, all the tears that I've cried. Can this mess be put right

Repeat Bridge and Hook
