

Rhodes Happy, Baby Don't Go

Wake and arise
Defiant one
Time for you to
Be who you are
Come and appear
Before them now
Time for you to
Be who you are

Baby don't go
Baby don't go away
Baby don't leave
I need you to stay
Babe
Show what you are
Be strong
Be true
Time for you to
Be who you are

Wait for your move
Make them wait too
Time for you to
Be who you are
Baby don't go
Baby don't go away
Baby don't leave
I need you to stay

Wake and arise
Defiant one
Time for you to
Be who you are
Be who you are
Come and appear
Before them now
Time for you to
Be who you are
Baby don't go
Baby don't go away
Baby don't leave
I need you to stay
Babe
