## Rhodes Happy, Noone Here

I feel warm and whole But there's noone here Yes, and mine's a heavy soul But there's noone here sun my is Look rising And it's rising over there But there's noone here There's noone here I'm without a body To keep me warm And not even a kitty To share my storm Well I know what I need But there's noone here And I know just where I bleed But there's noone here sun my is Look rising And it's rising over there But there's noone here There's noone here And I'm without a body To keep me warm And not even a kitty To share my storm Well I want a warm brain But there's noone here 'Cause mine's under a strain And there's noone here sun my is Look rising And it's rising over there But there's noone here There's noone here And I'm without a body To keep me warm  $\wedge$ And not even a kitty \* \* To share my storm ΛΛ \* \* + And not even a kitty To share my storm
