

# Rhonda Vincent, Pretending I Don't Care

My days are so lonely my nights are so blue  
Though my heart is broken it belongs to you  
Of misery and sorrow well I've had my share  
Like you I'm pretending that I don't care

You pretend to be happy gay and carefree  
But I know that sometimes you still think of me  
Just bein without you is so hard to bear  
Like you I'm pretending that I don't care

I pray for the power to forget and forgive  
That you ever hurt me the way that you did  
Oh I shouldn't want you but the feelin's still there  
Like you I'm pretending that I don't care
