

Rhonda Vincent, You Can't Take It With You When You Go

Watch where you're standing
When you close that door
'Cause if you're on the wrong side
It won't open anymore
Be sure before you leave me that it's the only way
Take off your coat and think about
What I'm about to say.....

****Chorus**

I gave you my heart
I gave you my soul, completely
You've got my dreams
You've got everything that I need if you leave me alone
I'll give you my love for the rest of my life
But I want to make sure you know
You can't take it with you when you go...

I hear what you're saying
But I don't believe it's you
Tellin' me that it's all over
After all we've been through
If you found a new love
Then just tell me so
And I'll make it easy
So she'll never know...

Repeat **

You can't take it with you when you go.....
