

Rhonda Vincent, You're Running Wild

You're running wild
How long can this go on
You're leaving me alone
And running wild

You're always gone
My love you never share
It's more than I can bear
You're running wild

Bridge:
You'll settle down someday
And find I've gone away
You'll think of what you've done
While running wild

I can't go on
You'll have to choose the way
You'll have to go or stay
Stop running wild

You're running wild
