

Rialto, Anyone Out There?

On a mission through the night, sounds and actions, flashing lights. Don't care what time's on the clock

(BRIDGE) Oh, before they play the final tune, and I'm standing alone in a crowded room:

(CHORUS) Is there anyone out there? Is there anyone out there? There must be somebody somewhere

What's the point in going home to a silent answerphone? Smoking cigarettes in bed, noises ringing

(repeat bridge)

(repeat chorus)

Is there anyone out there? There must be somebody somewhere, is there anyone out there?

Is there anyone out there? Is there anyone out there?

(repeat to fade)
