

Rialto, Idiot Twin

My idiot twin
Like a second skin
I just can't shake him
He's my stupid Siamese
A terminal disease
Forgive me please

(CHORUS)

My idiot twin
He's part of me
But one day I'll kill him
He is my idiot twin
When he dies
I'm gonna be king
My idiot twin

My unwanted Gemini
The things I'd like to hide
Eat me inside
Times I wish I could forget
Crippled by regret
Dogging my steps

(REPEAT CHORUS)

All of the things I shouldn't have said
He put those ideas in my head
I want him dead
