## Rialto, Skyscraper

In a skyscraper - in a skyscraper's where I want to live: with no elevator, at the top of the stairs when Up above the clouds, looking at the crowds down on the ground. Watching from the steeple, all the In a skyscraper, we'll send for the papers every now and then. When it's a bit safer, when it's a bit subject to be clouds, looking at the crowds down on the ground. Watching from the steeple, all the Up above the clouds, looking at the crowds down on the ground. Watching from the steeple, all the
