

Rich Kids, Ghosts Of Princes In Towers

Ain't it fascinating the difference between those who have
You know there's those who make it and there's those who never may
And it's fascinating because it's really very clear
You've either got it honey
Or you ain't...

Well you go and you tell me your ambitions
But then you say Rome wasn't built in a day
But Thomas the Imposter he lived a lie
It didn't matter at all that was his way...

Ghosts of Princes in Towers
They're the soft boys and how
Ghosts of Princes in Towers
They're the sharp ones - they're now...

So these Ghosts, these Princes in Towers
Seems to me they've got it made
'Cos they sulk and they strut for no reason
Well maybe they ain't afraid...

Ghosts of Princes in Towers
They're the soft boys and how
Ghosts of Princes in Towers
They're the sharp ones - they're now...

And it's ONE - remember number one
TWO well it's true
That THREE so free and easy that
Be FOUR too long you come back to this...

Just a'singing 'bout

Ghosts of Princes in Towers
They're the soft boys and how
Ghosts of Princes in Towers
They're the sharp ones - they're now...
Ghosts of Princes in Towers
They're the sharp ones - they're now...
