Swerve

Why are you sipping on Qualitest?

Pints in, only Actavis

I fucked your lil bitch and I swerved on her

Hit the block, I'm a swerve on her

Drop top, pull up in a Lamborghini

Think I'm addicted to syrup

Two rings, that's a hundred thousand

Brought a Rolex, bring the lights out

I think I'm addicted to bad bitches

I put the ho in some 'Vinchey's

On the drink I'm a swerve

Drop top for a bird

Riding 'round in a new coupe

Foreign thang, fuck her brains loose

Sipping a whole lot of juice

I hit her and give her the boot

Hating on me but I'm rich

Swerve on 'em in a Bent'

Hit a lick, bought a chain

Love bricks, bought a crane

Bitches fucking for some fame

I won't buy that bitch a ring

Hitting the block and I swerve 'em

Young nigga with the racks on him

Swerve

Hit the block and then I swerve

I'm sipping Active, got me swerving

I fuck your bitch and then I swerve

Swerve

Hit the block and then I swerve

I'm sipping Active, got me swerving

I fuck your bitch and then I swerve

Swerve

I'm sipping on double cup Actavis

I'm dabbing, I'm fresh like a mannequin

Cost a bird for my watch like a pelican

Swerve, come to the north, the bando got them birds

Put in a thousand hours, I deserved it

Pull up flexing on these bitches on purpose

Back in the day you said I wasn't worth it

I'm sipping on drink 'cause that shit keep me surfaced

She never been around, that bitch getting nervous

I told that bitch come and comfort me

I know y'all niggas gon' come for me

I sleep with my pump and it's under me

I had a vision, a money see

I'm saying my prayers upon my knees

I got money on me but it humble me

Yellow Lambo like a bumblebee

Drop the top on that bitch, gave that bitch surgery

Swerve

Hit the block and then I swerve
I'm sipping Active, got me swerving
I fuck your bitch and then I swerve
Swerve
Hit the block and then I swerve
