Richard Ashcroft, C'Mon People (We're Making It

Sometimes I feel like I can't move on Nothing in life is turning me on But I still see clearly When I see you smiling You know nothing seems to fit I couldn't see my way through the shit When every single second of my waking day Was thinking of you Thinking of you You never know That I am alive I am alive I wanna grow There are so many things I can do Just like falling in love with you Take my hand now, understand me You can come here too C'mon people, we're making it now Yeah, yeah, yeah C'mon people, we're making it now Yeah, yeah, yeah But today I worked it out I got something I can shout about Someone who believes in all the things I'm thinking But where have you gone Where have you gone I'll never know
