

Richard Carpenter, Sandy

Looking at you I'm almost home again
something in you puts me at ease
yes I know that you're suspicious of me
do I mean the things I say?
you know I've been in love before, that much is true
but though I've been in love before
it wasn't with you

(chorus) ooh sandy
could we spend the day together
you know how rainy weather gets me down when I'm alone
you sandy
you gotta be a friend today
an hour with you will chase the winter away

being with you I'm like a child again
your eyes can see clearer than mine
no one ever made me quite so aware
no one ever took the time
the time it took surprises me
nothing's the same
as if my life began again
here in your name

chorus to fade
