

Richard Jacques, Can You Feel The Sunshine

Can you see, the sun is shining on me?
It makes me feel so free, so alive
It makes me want to survive
And the sky, it makes me feel so high
The bad times pass me by
'Cos today, it's gonna be a brighter day

Can you feel the sunshine? Does it brighten up your day?
Don't you feel that sometimes you just need to run away
Reach out for the sunshine, forget about the rain
Just think about the good times and they will come back again

Without you there's nothing for me to do
Can you feel the sunshine too, it's coming through
It makes me feel brand new
When you're here I wish you were always near
'Cos everything's so clear, and today it's gonna be a brighter day

Can you feel the sunshine? Does it brighten up your day?
Don't you feel that sometimes you just need to run away
Reach out for the sunshine, forget about the rain
Just think about the good times and they will come back again

When the sun goes down I feel like I am waiting
For another day when the clouds go away

Can you feel it?
Can you feel it?
Can you feel it?
Can you feel it?

Can you feel the sunshine? Does it brighten up your day?
Don't you feel that sometimes you just need to run away
Reach out for the sunshine, forget about the rain
Just think about the good times and they will come back again
