

Richard Marx, Only Reminds Me Of You

ONLY REMINDS ME OF YOU

I see you, beside me
It's only a dream
A vision of what used to be
The laughter, the sorrow
Pictures in time
Fading to memory
How could I ever let you go
Isn't too late to let it show

That I come to run from your side
But this place I hide
It only reminds me of you
When i turn out of the light
Even the night
It only reminds me of you

I needed my freedom
This what I've thought
But I was a fool to believe
My heart breaks while you cry
Rivers of tears
But I was too blind to see
How could I ever let you go
Isn't too late to let you show

That I come to run from your side
But this place I hide
It only reminds me of you
When I turn out of the light
Even the night
It only reminds me of you

Only you...

Please come back to me
I'm down on my knees
God give me strength...

That I come to run from your side
But this place I hide
It only reminds me of you
When I turn out of the light
Even the night
It only reminds me of you
