

# Richard Marx, The Way She Loves Me

Let me tell you 'bout  
The way she loved me  
Ooh, I want the world to know  
I'm crazy 'bout  
The way she loved me  
Ooh, I'm proud to let it show  
Yeah, yeah, yeah

I'll have this feeling  
'Till the day that I die  
When I hear my baby calling

A simple motion  
A look in her eyes  
And I'm helplessly falling

I'd give all of somebody else  
For any piece of her heart that's left  
She known me better than I know myself

Let me tell you 'bout  
The way she loved me  
Ooh, I want the world to know  
I'm crazy 'bout  
The way she loved me  
Ooh, I'm proud to let it show  
Yeah, yeah, yeah

I came close to letting  
This train pass me by  
Just like a fool second guessing

I could've spent my life wondering why  
I didn't cherish the blessing

If I'd have known she'd come my way  
The lonely nights would have been okay  
I have her promise that she's gonna stay

Let me tell you 'bout  
The way she loved me  
Ooh, I want the world to know  
I'm crazy 'bout  
The way she loved me  
Ooh, I'm proud to let it show  
Yeah, yeah, yeah

Nobody else could do me so right  
A breath of heaven in my darkest night  
I'm gonna hold on with all of my might

Let me tell you 'bout  
The way she loved me  
Ooh, I want the world to know  
I'm crazy 'bout  
The way she loved me  
Ooh, I'm proud to let it show  
Yeah, yeah, yeah
