

# Richard Marx, Until I Find You Again

Lately I've been trying  
To fill up my days since you're gone  
The speed of love is blinding  
And I didn't know how to hold on

My mind won't clear  
I'm out of tears  
My heart's got no room left inside

How many dreams will end  
How long can I pretend  
How many times will love pass me by  
Until I find you again

Will the arms of hope surround me  
Will time be a fair weather friend  
Should I call out to angels  
Or just drink myself sober again

Can't hide it, it's true  
I still burn for you  
Your memory just won't let me go

How many dreams will end  
How long can I pretend  
How many times will love pass me by  
Until I find you again

I'd hold you tighter  
Closer than ever before  
Yeah  
No flame would burn brighter  
If I could touch you once more  
Hold you once more

How many dreams will end  
How long can I pretend  
How many times will love pass me by  
Until I find you again

Until I find you

Again
