

# Richie Kotzen, What Is

I don't love, I don't give, I don't care' cause  
I've already been there  
I don't want, I don't need, I don't take,  
'cause I had it all  
I don't guess, I just know, what this is,  
is a place to die from

I am not what you see, you are real but not for real  
I'm not scared, I'm not high, I'm a man  
and I'm all right  
We are here, we are gone, and the rest are  
left to wonder

What is life, in the hand of illusion, what is life  
to a man in confusion  
What is right, for a life that is losin', what is time,  
what is, what is, what is?

Take look, open up, look inside, what is there  
In your heart, in your mind, in your soul  
there's the answer  
Why you want, why you need, the side effects of  
what you see

What is life, in the hand of illusion  
What is life, to a man in confusion  
What is right for a life that is losin', what is time,  
what is, what is, what is?

I don't pay, I just know what this is,  
is a place to die from...
