

Richie Stringini, Best Friend

Sometimes in life when all hope is gone
and you feel like your and your arm
thru thank come's alone
and make's you real lies
and anything's ok
and last thru have come thru
plain is up and down's
no matter what you guess
all was stopped by my side
when next right
and i cape this song to you
my best friends...

And after everything that weve been
through Im still here with you

Cuz youre my lady

cuz youre my lady

I swear Im gonna make you happy

for the rest of my life

Cuz youre my lady

and Im your best friend,

and Im your best friend.

In times when all hope is gone

and sadness fills your heart with pain

You wonder (yeah)

If theres anyone

that you can call

To somebody whos left

all alone

Youre such a loyal friend

and now I know that Ill never

find sombody quite like you

I appreciate the day

you came and you stayed.

And after everything that weve been

through Im still here with you

Cuz youre my lady

cuz youre my lady

I swear Im gonna make you happy

for the rest of my life

Cuz youre my lady

and Im your best friend,

and Im your best friend.

Some people said that we never survive,

we showed them that

dreams can come true

and for sure that

Our secret lies behind an endless friendship

and mothing could tear

us apart

Youre such a loyal friend

and now I know that

Ill never find sombody quite like you

I appreciate the day

you came and you stayed.

And after everything that weve been

through Im still here with you

Cuz youre my lady

cuz youre my lady

I swear Im gonna make you happy

for the rest of my life

Cuz youre my lady

and Im your best friend,

and Im your best friend.

True love is so hard to find

A specially if its someone
you can call on your best friend
No matter what problems occure
You overcame them with her, with her
After everything that weve been
through Im still here with you
Cuz youre my lady
cuz youre my lady
I swear Im gonna make you happy
for the rest of our life
Cuz youre my lady
and Im your best friend,
and Im your best friend.
