

Rick Alan Carpenter, Same Old Heartache

Same Old Heartache, Brand New Day
What's It Gonna Take To Make It Go Away?
Even Though You're Gone, Long Gone
All My Love For You Stays
Same Old Heartache, Brand New Day

Well I Woke Up Feeling Pretty Good This Morning
When Suddenly It Hit Without A Warning
Out Of The Blue Your Memory Came Calling
Next Thing I Knew My Bitter Tears Were Falling

Same Old Heartache, Brand New Day
What's It Gonna Take To Make It Go Away?
Even Though You're Gone, Long Gone
All My Love For You Stays
Same Old Heartache, Brand New Day

No Matter Where I Go Somehow You Find Me
The Pain Is Always Sneaking Up Behind Me
So I'll Relive The Sadness And The Sorrow
At Least Enough To Last Until Tomorrow

When You Left I Said Go On Who Needs You Anyway?
Little Did I Know The Price My Pride Would Make Me Pay
And Pay And Pay

Same Old Heartache, Brand New Day
What's It Gonna Take To Make It Go Away?
Even Though You're Gone, Long Gone
All My Love For You Stays
Same Old Heartache, Brand New Day
Same Old Heartache, Brand New Day
Same Old Heartache, Brand New Day
