

Rick Nelson, String Along

String along that's all I am just your string along
Someone that you just seem to bring along whenever you are all alone
Need some company you always turn to me

String along that's all I do you're sorta string along
You never seem to notice I'm alone
I just want you to want me too
How I hope and pray that you'll need me someday
[guitar]
String along that's all I am...

Treat me wrong and maybe soon you'll lose your string along
Someone may come and bring a love that's strong
And wanna string along with me
Find somebody who won't treat me like you do
String along that's all I am just your string along
