

Rick Nelson, You Win Again

The news is out all over town that you've been seen out runnin' round
I know that I should leave but then I just can't go on you win again
This heart of mine could never see what everybody know but me
Just trusting you was my great sin what can I do you win again
I'm sorry for your victim now cause soon his head like mine will bow
He'll give his heart but all in vain and someday say you win again
