

Rick Price, Nothing Can Stop Us Now

nothing can stop us now

soft as a rainbow like stardust on moonglow
i see the love in your eyes
like autumn leaves falling
and the first touch of morning
it came to my surprise

true love comes once in a lifetime
how can we make it
now it is the right time

Chorus:

nothing can stop this love we're making
nothing can stand in our way
nothing can block this road we've taken
nothing can stop us now

the joy of surrender so strong yet so tender
i give my heart to you
you know you could trust and that's how it must be
no matter what we do

faithful friends and lovers forever
right 'til the end we'll always be together

Repeat Chorus

Coda:

when love comes swiftly to your door
embrace completely what your soul is longing for

Repeat Chorus

...nothing can stop us now
