

# Rick Springfield, Itsalwayssomething

I look around me and I see what I wanted and what I settled for  
Yeah, I've got the heart of a Joan of Arc but the soul of a gigolo  
I've been good at snatching defeat from the jaws of victory  
Anytime I stopped to smell the roses they drew blood from me  
Do you know what I mean  
You never ever get away clean  
Oh, but it's alright  
Yeah, touchdown, turn around, flag on the play

It's Always Something  
You know it is, It's Always Something  
It's Always Something, everyday, It's Always Something

When I was a kid the teachers and the priests said,  
&quot;Why you let him run around like that?&quot;  
My father said, &quot;if the boy wants to play the guitar, I say we let him.&quot;  
Through the hard years he was my rock  
When I just could not win  
So it goes y'know my father died  
Just before my leaky ship came in  
Do you know what I mean  
You never ever get away clean  
Oh, but it's alright yeah  
Down one, homerun, your dog steals the ball

It's Always Something  
You know it is, It's Always Something  
It's Always Something, everyday, It's Always Something  
It's Always Something...

I step up to the table in the middle of my life  
And I take my cards and I check them twice  
I've got a killer hand and I'm ready to stake my claim  
The cops raid the game

It's Always Something  
It's Always Something  
It's Always Something, everyday, It's Always Something

It's Always Something  
You know it is, It's Always Something  
It's Always Something, everyday, It's Always Something
