

Rick Wright & Dave Harris, Confusion

You know I stand in disbelief
I find strange consolation in your leaving
Life's so supernatural
Cannot survive forever without breathing
You can't live without disguise
And understand your mind
You can look me in the eyes
The only thing you'll find is your confusion
The stories that you tell to me
Are figments of your own imagination
People you pretend to be
Will you behold in fascination
'Til you stop to realize
That life is not for fun
When a thoughtless story dies
And standing there alone in your confusion
And where to go you go from there
It's your confusion
Alone inside your fantasy
You're 'fraid to leave your plastic situation
but still you find it hard to see
that this was meant to be your destination
'Til you can live without disguise
And understand your mind
You can look me in the eyes
The only thing you'll find is your confusion
And where to go you go from there
It's your confusion
'Til you stop to realize
That life is not for fun
When a thoughtless story dies
And standing there alone in your confusion
Where do you go from there
Nowhere
