

Rick Wright & Dave Harris, How Do You Do It

She's elusive
You watch her moving
Leaves destruction
Leaves you bleeding
Makes you feel things
Your concentration
Lose control
Lose the meaning
Mystifying
Strange attraction
Snaps her fingers
Sees you crawling
Condescending
She knows the answer
Cuts the string
Stops you falling
How do you do it
Maybe you don't know
How you do it when you do it
How do you do it
Maybe if you show me
Maybe you don't
Explanation untold reactions
She sees the change
Sees you turning
Sympathizing
She keeps her distance
You feel the flame
You feel it burning
How do you do it
Maybe you don't know
How you do it when you do it
How do you do it
Maybe if you show me
Maybe you don't
She's elusive
You watch her moving
Leaves destruction
Leaves you bleeding
Makes you feel things
Your concentration
Lose control
Lose the meaning
How do you do it
Maybe you don't know
How you do it when you do it
How do you do it
Maybe if you show me
Maybe you don't
How do you do it
Maybe you don't know
How you do it when you do it
How do you do it
Maybe if you show me
Maybe you don't
