

# Ricky Martin & Madonna, Be careful with my heart

(Ricky Martin:)

Be careful with my heart  
You could break it  
Don't take my love for granted  
Things could change  
Sometimes I go insane  
I play the fool and you'll agree  
I'll never be the same  
Without you here with me  
Cuidado [Please be careful]  
Con mi corazon  
Me siento  
Algo desnuda  
Cuidado [Please be careful]  
Es mi corazon  
Mi corazon

(Madonna:)

Be careful with my heart  
You could break it  
Don't take my love for granted  
Things could change  
Sometimes I go insane  
I play the fool and you'll agree  
I'll never be the same  
Without you here with me  
Cuidado [Please be careful]  
Con mi corazon  
Cari  
No me lastimes  
Cuidado [Please be careful]  
Es mi corazon  
Mi corazon

(Madonna:) If I could reach out to you

(Ricky Martin:) Nothing will stop me

(Madonna:) Take your head in my hands

(Ricky Martin:) Tell me what would you do

(Madonna:) Kiss your eyes, sing you to sleep

(Ricky Martin:) Your voice sounds like a lullaby

(Madonna:) Is my heart this time to keep?
