

# Ricky Martin, One Night Man

COME ON!

It's the story of my life  
It's how it always begins  
I see you once  
I see you twice  
I get a taste of paradise  
It's not as easy as it seems  
when you have complicated dreams

[Chorus:]  
So Take Me Home  
Take me to the zone tonight  
the story of my life  
It's gonna be alright Lady, I'm your one night man  
Come with me, take a chance  
You won't forget it  
you might regret it  
I can promise you that Lady give me one last dance  
Give me, give me all you can  
Suavecito  
Suavecito  
Baby, I'm your one night man

I'm the one, I'm the one night man  
I'm the one I'm the one night man

It's the way it has to be  
I know it's hard to understand  
And while it breaks my heart to leave  
Somehow you have to believe  
I will remember now and forever  
This special time we spent together

[Chorus (various times)]
