

# Ricky Nelson, I Bowed My Head In Shame

When I sat down to count my many blessings  
And I saw what the Lord had done for me  
Then I bowed my head in shame  
Because I know so well  
That I haven't been as good as I could be

I saw a beggar standin' on the corner  
And he looked like a cold and hungry man  
With some money in my pocket  
I kept walkin' on  
And I passed him by when he held out his hand

When I think of all the things that I've done wrong  
I have to sit and bow my head in shame  
For the Lord has been so good  
As he promised us he would  
So I wanna praise and glorify his name

I'm gonna try to do my best to thank him  
And I'll try to be as good as I can be  
Though I bow my head in shame  
I wanna praise his name  
For the many things the Lord has done for me

When I think of all the things that I've done wrong  
I have to sit and bow my head in shame  
For the Lord has been so good  
As he promised us he would  
So I wanna praise and glorify his name

Yes, I'm gonna try and do my best, best to thank him  
And I'll try to be as good as I can be  
Yeah, though I bow my head in shame  
I wanna praise, praise his name  
For the many things the Lord has done for me  
Aw, for the many things the Lord has done for me  
Yes, for the many things the Lord has done for me
