LOVE CAN'T EVER GET BETTER THAN THIS WITH SHARON WHITE (Nancy Montgomery - Irene Kelley) '86 April Music

Lookin' at you I can see what I missed Love can't ever get better than this I never knew there was so much in a kiss Love can't ever get better than this I knew this ol' world like the back of my hand I'd known a lot of boys but I never knew a man You were somethin' darlin I just couldn't resist Oh love can't ever get better than this Love can't ever get better than this You took a country boy and gave his life a new twist Love can't ever get better than this I'm tellin' everyone you're at the top of my list Love can't ever get better than this I made a lot of money but it didn't buy me dreams Thought that I was rich but I was only in between You were somethin' darling I just couldn't resist Oh love can't ever get better than this Love can't ever get better than this Lookin' at you I can see what I missed Love can't ever get better than this I'm a tellin' everyone you're at the top of my list Love can't ever get better than this I made a lot of money but it didn't buy me dreams Thought that I was rich but I was only in between You were somethin' darling I just couldn't resist Oh love can't ever get better than this Love can't ever get love can't ever get Love can't ever get better than this
